STRENGTH

Strength are the qualities that enables us to accomplish the libraries mission. These are the basics on which continued success can be made and remain same. Strengths can be either tangible or intangible. These are what we are well-versed in or what we have expertise in, the qualities library staff possess (individually and as team) and the distinct features, uniqueness that give your library its consistency.

WEAKNESS

Weaknesses are qualities that prevent library from accomplishing mission and achieving its full potential. These weaknesses deteriorate influences on the overall success of organisation/institute and its growth.

OPPORTUNITY

Opportunities are the presented by the environment within which Library operates. Library can gain competitive advantage by making use of opportunities.

THREATS

Threats arises when conditions in external environment jeopardize the reliability and credibility of the library. Threats are uncontrollable. When a threat comes, the stability and survival can be at stake.

The Webinar received an overwhelming response with nearly 500 registrations across the country including entries from Jammu and Kashmir. The highlight of the webinar was the participation of foreign delegates from Tanzania and Sri Lanka as well.

On the first day, Dr. Manju Dubey, Librarian, R.S. Mundle Dharampeth Arts and Commerce College, Nagpur, welcomed the delegates and participants and gave an introduction about the webinar. Dr. Rajiv Ashtikar, Principal of R.S. Mundle Dharampeth Arts and Commerce College, gave the presidential address.

During this two-day webinar, the first day of the webinar was graced by Dr. Suresh Jange, Director, Knowledge Resource Centre, Gulbarga University, Karnataka, as Key Note speaker. Dr. Jange highlighted the growing importance of technologies to be adapted in libraries like drones, chatbots, robots in the libraries. But at the same time, he assured that even with the proper use of the technologies available in hand and especially open access resources, libraries can succeed in becoming SMART in serving its users in a better way. Mrs. Suvarna Inamdar introduced the resource persons of the first day.

On the first day of the webinar, Mr. Prahlad Jadhav, Senior Manager (Library), Khaitan and Co., was the resource person. In his session, he talked on the topic

“Comprehensive suite for Smart Librarians”. Mr. Prahlad Jadhav explained all the Google tools which are readily accessible and if used effectively will transform the libraries into SMART Libraries. He told how these tools will enhance the capabilities of the libraries. Mr. Prahlad Jadhav focused more on the freely available and open access tools in hand which can be used in library image building.

Second resource person of the first day of the webinar was Dr. Bahusaheb Panage of Jayakar Library, Pune. Dr. Panage emphasized on the changing paradigm of libraries. He highlighted the multiple role which librarians need to play to serve their users amidst the changing technological and user expectation paradigm. He very well explained the importance of research assistance skill and domain knowledge expertise needed by librarians and urged librarians to develop their skills to be able to ‘work under pressure’ and carve a niche for themselves. He also talked about Virtual reference desk services and suggested a Real Roadmap for librarians in the present context.

Dr. Rahul Deshmukh, Librarian and convenor of the webinar, proposed a formal vote of thanks.

The second day of the webinar started with the presidential address by the secretary of SGRG Shinde Mahavidyalaya, Paranda, Osmanabad, Dr. Sanjay Nimbalkar.

Dr.Nimbalkar appreciated the collaborative efforts taken by the three colleges in successful organizing this two days webinar and congratulated all participants of the webinar. Dr.Deepa Sawale,Principal of SGRG Shinde Mahavidyalaya, Paranda, Osmanabad in her address talked about the digital challenges and the role of librarians in the present situation. she emphasized that libraries plays and very important role in educational institutes and librarians are the key pillar in dissemination of knowledge. She urged all to adapt themselves to technological challenges and convert them into opportunities to consolidate the important role of libraries forever.

On the second Day ,Dr.Dharamraj Veer, Director, KRC, Dr.Babasaheb Marathwada University ,Aurangabad was the Key Note speaker. Dr.Veer is known for the drastic changes and development of BAMU, Knowledge Resource Centre. In his address he talked about the consistent improvisation needed by the LIS professionals in their delivery of service to the users. He focused that libraries role is far beyond collection development and it is of a service oriented centre. He asserted that with the help of technological tools,LIS professionals can ensure important status of libraries in HEI's. He also talked about the importance of documentation in a broader perspective encompassing various areas wherein librarians can work and give services to their users especially in research

Dr.Sarika Sawant, Assistant Professor,SHPT School of Library Science,SNDT Womens University ,Mumbai was the resource person on the second day.She talk on the topic “ SWOT Analysis of Libraries for becoming SMART”. She told about the importance of SWOT analysis with apt examples and emphasized about how the findings of SWOT analysis can be used effectively to improve the work efficiency of libraries.
