Special Issue on “New Normal in Pandemic”

Dr. Rajiv Ashtikar

Principal's message

Dear Students

We all are in this 'New Normal' phase of life, since the start of March 2020 pandemic. The whole scenario has witnessed complete disruption and the world at one point of time came to a Standstill or Pause whatever we can best describe it as. But as it is said that 'The Show must go on' and here we all are adapting ourselves to a new normal where the physical presence has taken the form of virtuality. All the activities are going on but in a new look and avatar. The whole academia has witnessed this changing time, where we find online classroom on various platform is the order of the day. Teaching fraternity in this changing times are coming up with various innovative measures to enrich the learning experiences of our students. This issue of Abhivyakti e-magazine is special one in terms of the exploring the activities and efforts carried out by the College at large to continue with our sincere mission of spreading knowledge in a New Normal time. Let's join hands to usher into a new horizon of knowledge.

!! Happy Reading!!

Editorial Team

Dear Friends

It was a wonderful experience working for this e magazine 'abhivyakti'. The journey started with the initiative and motivation from our respected Principal Dr. Rajivji Ashtikar who was very much interested in bringing out a Compendium of College activities and achievements along with food for thought on various important and useful topic in the form of E-Magazine. And thus the College came up with its e-magazine 'Abhivyakti', the very first endeavour with the objective of spreading the knowledge and providing visibility to the various college activities; students and faculty achievements and also updating students about latest topic of interest and importance. The e-magazine was also inclined to impart moral teaching to the students and hence every issue came up with a new 'BodhKatha' and Sanskrit shubhashit. The e –magazine provided

a platform to all students and faculty members to capture the attention of many viewers for the unique and outstanding achievements .This issue of e magazine is a consolidated issue covering the span from March to June. This issue also becomes special in the sense that when the whole world was down with the pandemic ,we at R.S Mundle Dharampeth College were consistent in carrying on, exploring and coming out with new ways and means in supporting and continuing the supreme mission of “Tamaso Ma Jyotirgamaya”

!!Let us explore to learn, unlearn and relearn!!

Unnat Bharat Abhiyaan and NSS collaborative event

Welcome to journey of Prarambh.....

"The journey of thousands miles begins with one step"

21-march 2020 came and there was a pause to regular college because of lockdown to prevent spread of Covid -19 infection. It was the need of the hour to break the chain due to this global pandemic

But as it is said whatever happens the show must go on and so infuse energy and enthusiasm in this hard time Unnat Bharat Abhiyan Cell and NSS wing of the College along with a group of active NSS students organised some creative quarantine special activities from 7-May to 13 May 2020 in the form 7 days event 'STM-Shoot the Minds' which included Talent Hunt, Cultural Day, PJ Day. This was also a beginning of a formation of a group of active student volunteer by name 'Prarambha' under the guidance of Principal Dr.Rajiv Ashtikar, Dr.Prakash Sahare,NSS Incharge and Dr.Manju Dubey, UBA coordinator of the College. Miss Bhagyashree Kshirsagar (Shree) and Yogesh Kshirsagar were the student coordinator of the event who lead all the organisation of the event

Creative thinking skills can be considered one of the key competencies for the twenty-first century—they allow us to remain flexible and provide us with the capacity to deal with the

opportunities and challenges that are part of our complex and fast-changing world. The increased focus on innovation combined with recent reports of decline in creative performance brings attention to the need to develop creative thinking skills at both the educational and business levels. The main theme of these activities was unleash the creativity of the students by providing them a platform like this. Also it was an effort to create awareness about the situation in the wake of covid-19 pandemic and related issues.

It was" By the students for the students." Almost 100-150 students actively participated. Student gave overwhelming response to the event by their enthusiastic participation.

Objective was to

- To deal with the mind set of people whether they take lockdown in positive or negative way respectively.
- Remind students of your availability to work online and offline.
- Specifically, let students know when they should expect to hear back from you and boost their confidence level with personal attention.
- Inform students of daily news related to COVID-19, current events or relevant college updates using social media.

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India and

the NSS programme aims to instil the idea of social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity.

- All the activities were related to Covid-19 .The winners of the event are as follows:
- Poster competition 7may 2020 topic- (Corona Warriors) winner was- Miss Maheshwari kachole and Miss Gyaneshwari Kadam.
- Essay competition 8 may 20220-(you and your lockdown) winner was-Miss Aayusha Tete and Miss Nandini Mandal.
- Video making competition 10 may 2020 topic (awareness about precautions safety and ill effects of corona virus) winner was-Miss Isha Doye and Miss Ketkee Pathe
- Innovative photography competition 11 may 2020 winner was-Miss Dipti kohale and Mr Chetan Dongre
- Quiz competition topic (current affairs correlated with Covid 19) and the winner was- Mr Atharva shindhe and Mr Prasanna Deshpande.

Overall this intra Collegiate event was very successful in mobilizing students to remain active even in the lockdown time and to do creative endeavour.

Intercollegiate event by R.S Mundle Dharampeth Arts and Commerce College Prarammbh Group

Every moment is a fresh beginning." "It's never too late to become who you want to be. We hope you live a life that you're proud of, and if you find that you're not, we hope you have the strength to start over." "Failure is the opportunity to begin again more intelligently."

World Environment Day is observed on 5 June each year in more than 100 countries, and is one of the most popular days on the United Nations calendar. It is an opportunity to raise awareness and promote action on national environmental issues. Since 1974, it has been celebrated every year on 5th June: engaging governments, businesses, celebrities and citizens to focus their efforts on a pressing environmental issue. This year, the theme is biodiversity – a concern that is both urgent and existential. World Environment Day is held each year on June 5. It is one of the principal vehicles through which the United Nations (UN) stimulates worldwide awareness of the environment and enhances political attention and action. World Environment Day promotes ways to improve the Earth's environment, such as conserving forests. The United Nations on the first day of the Stockholm Conference on the Human Environment, resulting from discussions on the integration of human interactions and the environment. अंतरातील ज्योत जागव, विश्व गाईल आरती

नागपूरच्या धरमपेट शिक्षण संस्थेने तयार केला सकरात्मकतेचा संदेश देणारा संगीतमय व्हिडिओ सध्या सकल विद्याला कोरोनाच्या

कलेच्या माध्यमातूनच निर्माण केला जाऊ शकतो. अगदी इतिहासकालापासून रणदुंदुभी साजवूनच उत्साह निर्माण केला

या धुपटने सुरू होणारे हे गीत धरमपेट महाविद्यालयातील एक प्राध्यापक असलेले कवी विनय मोडक (यथार्थ) यांनी रचले आहे. या गीताला स्वरसाज चढवून सर्व गायक कलावंतांकडून हे गीत गाऊन घेण्याचे आणि त्याला समर्पक असलेले व्हिडिओ वनविण्याचे शिचघनुष्य धरमपेट महाविद्यालयातील संगीताच्या विभाग प्रमुख आणि देशाला स्वातंत्र्यानंतर ७० वर्षांनी प्रथमच लष्कराची भारतीय सुरावटीची मार्शल ट्यून संगीतबद्ध करून देणारा नागपूरच्या डॉ. तनूजा नाफडे यांनी पेलले आहे.

डॉ. तनूजा नाफडे यांनी संगीतबद्ध केलेल्या या गीतात स्वतः डॉ. नाफडे, अॅड. उल्हास औरंगाबादकर, रत्नाकर केकरपुरे, डॉ. अविनाश जोशी, निलेश सावरकर, यशश्री भावे, प्राची मुळे आणि नेहा इंदूरकर या गायक कलाकारांचा सहभाग राहिला

म्हणून संबंधित आहेत. संगीत संयोजन पुष्कर देशमुख, दृश्य संकलन सतीश यादव यांचे आहे. तर चारुदत्त त्रिचकार यांनी तबल्यावर, पुष्कर देशमुख यांनी सरोदवर आणि निशीकांत देशमुख यांनी व्हायोलिनवर साथसंगत करीत हे गीत सुश्राव्य केले आहे.

सुमारे सात मिनिटांचा हा व्हिडिओ नुसताच श्रवणीय नाही तर प्रेक्षणीयही झालेला आहे. मुंबईच्या गेटवे ऑफ इंडियापासून सुरू झालेल्या या व्हिडिओचा रॉबर्ट डीलाने आकाशात फडकणाऱ्या भारतीय तिरंगा राष्ट्रध्वजाने केला आहे. यात भारतीय इतिहास आणि निसर्गाचे वैभव तसेच प्रगतीचे दृश्य दाखवणारी विविध चित्रे तर आहेतच पण

कोरोनामुळे निर्माण झालेल्या संघटाची दृष्यही यात दाखवण्यात आली आहे. हे दृश्य नियोजनही डॉ. नाफडे यांचेच असून आपण फक्त संगीतकार नसून कुशल दिग्दर्शकही असल्याचे त्यांनी सिद्ध केले आहे. हे गीत संपूर्णतः भारतीय सुरावटींनी संगीतबद्ध केले असून यमन आणि पुरीयाधनश्री या रागांमध्ये संगीताची बांधणी केली आहे. हे गीत ऐकल्यावर आणि व्हिडिओ बघितल्यावर कोणत्याही श्रोत्याच्या मनात निश्चित सकारात्मक ऊर्जेची भावना निर्माण होईल अशा प्रतिक्रिया अनेक जाणकारांनी दिल्या आहेत.

धरमपेट कला वाणिज्य

महाविद्यालयात संगीत विभाग प्रमुख असलेल्या डॉ. तनूजा नाफडे यांनी भारतीय लष्कराला स्वातंत्र्यानंतर प्रथमच शंखनाद ही भारतीय सुरावटीची मार्शल ट्यून

संगीतबद्ध करून दिली आहे. याशिवाय भारतीय प्रादेशिक सेनेसाठी देखील त्यांनी गीत संगीतबद्ध केले असून लष्करी अधिकार्यांच्या पत्नींची राष्ट्रध्वजी संघटना असलेल्या आवा या संघटनेचे गीतही त्यांनी संगीतबद्ध केले आहे. विशेष म्हणजे या सर्व सेवा त्यांनी देशासाठी काहीतरी करणाऱ्या संधी मिळाली आहे असे सांगून विनामूल्य दिल्या आहेत. याशिवाय त्यांचा रंग दे या नावाने छायाचित्र गायक हरीहरनजी यांच्या समवेत एक व्हिडिओ अल्बम प्रकाशित झाला आहे. त्याचबरोबर आणखीही दोन अल्बम प्रसिद्ध झाले असून त्यातील गाणी प्रचंड गाजलेली आहेत.

भारतीय संगीताचे पाश्चिमात्य वाद्यांबरोबर षसृजन करून संगीत सादर करण्याचा कार्यक्रम रशियातील भारतीय दूतावासात त्यांनी सादर केला आहे.

संकटाने ग्रसून टाकले आहे. जगभर लाघो व्यक्ती कोरोनाबाधित झाल्या आहेत तर मूल्य संव्हायी लक्षणीय आहे. जगभरातील अर्थचक्र सध्या धाबडलले आहे म्हटल्यास वागवे ठण्णार नाही. अस्मंभ्य नागरिकांच्या नोकर्ग गेल्या असून रोजीरोटी बंद झाली आहे. परिणामी संपूर्ण जगावर नैराश्याची सावली पसरलेली दिसते आहे.

अशावेळी सकारात्मकता निर्माण करण्यासाठी कला क्षेत्रच पुढाकार घेऊ शकते. साहित्य, नाट्य, संगीत अशा माध्यमातून जनसामान्यांचे नैराश्य दूर करून सकारात्मकतेची भावना निर्माण करीत संकटाशी लढण्याचा जोश

जात होता ना!

असाच सकारात्मकतेचा संदेश देत भारतीयोमध्ये जोश निर्माण करण्याचा प्रयत्न नागपूरच्या धरमपेट शिक्षण संस्थेने केला आहे. संस्थेचे कल्पक आणि सामाजिक भान जपणारे अध्यक्ष अॅड. उल्हास औरंगाबादकर आणि रत्नाकर केकरपुरे यांच्या संकल्पनेतून संस्थेने एका ओजस्वी गीताचा व्हिडिओ तयार केला असून नुकतेच त्याचे लोकार्पण झाले. छायेत जग जरी संकटाच्या, धीर धर तू भारती।

प्रस्तुत गीताच्या प्रत्येक ओळीत सकारात्मकता आणि विश्वास जागवण्याचा प्रत्यय येतो. त्यातील काही ओळी अशा आहेत.

Revisiting Yesterday, Recreating Today

Atma Nirbhar Bharat is something we are listening to from the past few days. During the COVID-19 pandemic, the central government on 12th May 2020 announced the 'Atma Nirbhar Bharat' i.e. 'Self-reliant India' mission.

The government has chalked out sectors to focus on to make India self-reliant. The question, however is, whether it is just the government that has to work towards achieving the goal or we as citizens should do something? Youth is the bright future of the country, the responsibility thus is making India self-reliant must be shared.

Everyone today is firm about and working on boycotting foreign goods. Although, an unattended part of the theory is adopting domestic goods. Not to limit ourselves to adopting domestic goods, readopting our long lost practices and values could be another perspective of being self-reliant.

To talk of an example, to support the argument, the 'kadha' promoted by the Ministry of AYUSH would be best suited. While the US imported 50 million hydroxychloroquine tablets from India to fight COVID-19, we relied on our own immunity boosting drink(kadha) made with ingredients having medicinal values to keep the disease at bay.

A lot of our questions today had been answered long ago. The major question today is how to be self-reliant and for the answer we need to revisit the past and recreate the answers today!

CORO - NAAAA

*There's an outbreak in the story
Of the virus that left his town.
Touring on people like a vacation;
Sending the countries to meet lockdown.*

*As a result now people are quarantined
Social distance being defined.
Nationwide is the lockdown declared
All over silence is been conquered.
People just being locked in their homes
Sad news of new patient comes!*

*The countries declared pandemic
For the nature to take over the domain.
As the mankind did harm to it,
Not once but again & again.
And the story here is -
This invader has broaden it's spread to the edges
Of India, Italy & Spain!*

*Never before I have seen so much of sufferings,
All the way how the deaths are increasing.
Many have reported with this illness;
So many flags have been placed dividing the regions into red, orange & green
space!*

*Just like every story even this has angels in it.
Those who are working hard to mark the victory.
The doctors, nurses and the cops
Thriving to make us survive;
Fighting to recreate a new history!*

*In this tragic days,
We need to stand united.
And not letting the time
To be deceived and divided!*

*We need to sit at home
& let the storm to pass.
Let ourselves use this solitude
To reconnect within and feel
Even everything needs a time to heal!*

PLEDGE poem on CORO-NAAAAAAA !

*A beautiful country India is where I belong,
The country of dedicated people all along !!
Today, a deadly virus has emerged with a strike &
I pledge to live in this mighty fight !!
There is a sound of emergency everywhere,
An incredible rush of warriors congests the healthcare !!
The warriors of my country fight with Corona day and night,
They make me proud and give me a bright ray of light !!
Keeping my surroundings clean & maintaining social – distance,
Helps me to fight with this virus and upgrade my existence !!
For the love of my country and for its welfare,
I am doing everything to keep myself aware!!
“Stay at home” is the golden rule followed by me and mine.
For all we want our India to shine.....
I pledge to take care &
List Corona as a disease very rare!!
I follow instructions as instructed from time to time,
I want to make this country Corona-free;
the prime responsibility is your & mine.....*

कोरोनाकाल में चुनौतियाँ एवं अवसर

आज जब यह कोरोना महामारी मानव जीवन के चुनौती और देश की आर्थिक तंगी का कारण बन गया है वही इसमें हमारे देश के लिए सुनहरे अवसर भी छिपे हुए हैं। इसमें पहली चुनौती - चीन की विस्तारवादी नीति। मुझे यह कोरोना चीन के विस्तारवादी नीति का अंग दिखता है। जब इस कोरोनाकाल में विश्व की आर्थिक स्थिति कमजोर होती जा रही है और हमारे देश की सरकार ने यह घोषणा की थी कि इस वर्ष सरकार कोई रक्षा खरीद नहीं करेगी किन्तु चीन द्वारा लद्दाख (गलवान घाटी) इस भू-क्षेत्र पर दावा अथवा घुसपैठ के कारण हमें इस वर्ष रक्षा सौदा करना पड़ा।

दूसरी चुनौती, कोरोना के माध्यम से घुसपैठ की कोशिश। यदि हम इतिहास देखें तो यूरोपीय सैनिकों के पास कोई परम्परागाठ अथवा अच्छे हथियार नहीं थे। किन्तु उनका हथियार था "चेचक" (एक संक्रामक बीमारी) चेचक जैसी बीमारी से लड़ने के लिए यूरोपीय सैनिकों ने अपनी रोग प्रतिरोधक क्षमता विकसित कर ली थी। किन्तु अमेरिका के निवासी चेचक का सामना नहीं कर पाएँ और इस माहामारी ने सम्पूर्ण अमेरिका को अपने चपेट में ले लिया। इस प्रकार यूरोप ने अमेरिका में घुसपैठ किया और अपना उपनिवेश बनाने में सफल रहा। ठीक इसी प्रकार मुझे चीनी सरकार की नीति लग रही है। जहां लगभग सम्पूर्ण विश्व में लॉकडाउन के उपरांत भी ये राष्ट्र कोरोना को हरा नहीं पाएँ वहीं चीन से लगभग कोरोना समाप्त हो गया और चीन ने इसका आर्थिक लाभ (अर्थात मास्क और टेस्टिंग किट बनाना) तथा आर्थिक गतिविधियों के माध्यम से लेने लगा।

तीसरी चुनौती, रोजगार का सृजन और देश की अर्थव्यवस्था को बढ़ाना । आज विश्व और भारत रिकॉर्ड स्तर की बेरोजगारी और आर्थिक हानि से जूझ रहे हैं । आज हमारे पास विश्व की सर्वाधिक युवा शक्ति है। आज हम युवाओं के उत्साह और बुजुर्गों के अनुभव के अनुसार रचनात्मक कार्य कर सकते हैं । आज युवाओं को सोशल मीडिया पर रचनात्मकता का परिचय देने की बजाय जीवन की मूलभूत आवश्यकताओं पर रचनात्मकता का प्रयत्न करना चाहिए । तभी देश की उन्नति का मार्ग प्रशस्त होगा।

चौथी चुनौती , जनसंख्या और प्रदूषण । कई विद्वानों का मानना है जहाँ जनसंख्या और प्रदूषण का प्रकोप ज्यादा है वहा महामारी तेजी से फैल रही है । जैसे , मुंबई , नाँएडा , दिल्ली और चेन्नई इत्यादि शहरों में महामारी ने अपना वर्चस्व बना लिया है । इसलिए अब यह आवश्यक हो गया है कि सरकार " जनसँख्या नियंत्रण क़ानून " लाये और यह सुनिश्चित करे की इसका कड़ाई से पालन हो , नहीं तो हमारे यहाँ संसाधनों की स्थिति इतिहासकार खाफी खान के शब्दों में कहू तो " एक अनार और सौ बीमार " वाली हो जाएँगी । संसाधन तो एक होंगे , लेकिन उसे पाने वाले सौ होंगे । इस महामारी ने हमे यह शिक्षा दी ही है की ' प्रकृति केवल मनुष्य की नहीं अपितु सबकी है ' । इसलिए प्रकृति के दोहन की बजाय हमे प्रदूषण नियंत्रण और पर्यावरण संतुलन की नितांत आवश्यकता है । हमने सामाजिक उत्थान के लिए प्रधानमंत्री जी के " सबका साथ , सबका विकास " इस नारे को बहुत प्रचलित किया किन्तु अब हमे " सबका साथ , सबका विकास " पर्यावरण के लिए प्रचलित करने और इसका जमीनी स्तर पर कार्यान्वयन करने की नितांत आवश्यकता है ।

पांचवी चुनौती , लॉकडाऊन के नियमो का पालन करवाना । आज देश में जिला मुख्यालयों को लॉकडाउन के नियम का पालन करवाना है । किन्तु , विडम्बना यह है की आज वही के कर्मचारी और पुलिस नियमों का उल्लंघन कर रहे हैं । ' एक महिला गांधीजी के पास गयी , उसने कहा बापू , " मेरा बेटा गुड़ बहुत खाता है और गुड़ की ज्यादा मात्रा स्वास्थ्य के लिए हानिकारक है "।आप उसे मना करेंगे तो वह मान जाएंगे । बापू ने कहा , " आप एक सप्ताह बाद आओ और एक सप्ताह बाद बापू ने बच्चे को बुलाया और कहा बेटा गुड़ मत खाया करो यह स्वास्थ्य के लिए हानिकारक है "। माँ ने कहा , " बापू आपने यह एक सप्ताह पहले क्यों नहीं कहा तो बापू ने कहा , " एक सप्ताह पहले मै भी गुड़ बहुत खाता था।" तो इस कहानी का तात्पर्य यह हुआ की जिसकी जिम्मेदारी है लोगो को मास्क और सोशल डिस्टन्सिंग के लिए जागरूक करने की उन्हें पहले मास्क और सोशल डिस्टन्सिंग का पालन करना चाहिए और फिर लोगो से पालन करवाना चाहिए ।

छठवीं चुनौती , कंपनी में निवेश के माध्यम से घुसपैठ ।चूंकि लॉकडाऊन के वजह से कंपनी के शेयर में कमी है तो चीनी सरकार ने एसबीआई में अपनी हिस्सेदारी ०.३ प्रतिशत से बढ़ाकर १.३ प्रतिशत कर ली । किन्तु सरकार की सतर्कता के कारण अब भविष्य के लिए यह नियम लागू हुआ की पाकिस्तान , बांग्लादेश और चीन को भविष्य में निवेश से पहले भारतीय सरकार की अनुमति लेनी होगी ।

कोरोना काल में अवसर :कोरोना ने हमें आत्मनिर्भरता अर्थात् स्वदेशी उत्पादन , विदेशी निवेश और विश्व के बड़े निर्यातक बनाने का मार्ग प्रशस्त कर दिया है । हमारे यहाँ रामचरितमानस में कहा गया है - " पराधीन सपनेहु सुख नाहीए"। ' अर्थात् किसी पर आश्रित रहने वालों को सपने में भी सुख संभव नहीं है' । ठीक इसी प्रकार हम चीन जैसे देशों पर आश्रित होकर आर्थिक उन्नति नहीं कर सकते ।

गांधीजी का आत्मनिर्भर भारत के लिए कथन आज के परिपेक्ष्य में सटीक बैठता है । उन्होंने कहा था , " हर हिंदुस्तानी इसे अपना धर्म समझे की जब और जहाँ मिले वह हमेशा हम गांवों की चीजों का उपभोग करे । अगर ऐसी चीजों की मांग पैदा हो जाये तो इसमें जरा भी शक नहीं हमारी ज्यादातर जरूरतें गांवों से पूरी हो सकती हैं । जब हम गांवों के लिए सहानुभूति से सोचने लगेंगे तो पश्चिम की नकल के रूप में यंत्रों से बनी चीजें हमें नहीं जचेंगी और हम ऐसी राष्ट्रीय अभिरुचि का निर्माण करेंगे जो गरीबी , भुखमरी और बेकारी से मुक्त नए हिन्दुस्तान के आदर्श के साथ मेल खाती होगी ।

आज हमारे देश में देशभक्ति पर चर्चाये और गोष्ठियाँ हो रही हैं तो वास्तविकता में देशभक्ति क्या है - मैं तो समझता हूँ आज के युग में हम प्रधानमंत्री जी के संकल्प " आत्मनिर्भर भारत " और "वृक्षारोपण " को अपनाकर हम देशभक्ति का परिचय , बेरोजगारों को रोजगार , निर्यात को बढ़ावा , पर्यावरण का संरक्षण और देश की आर्थिक उन्नति कर सकते हैं । तभी वह दिन आएगा जब हम पुनः कह सकेंगे - " जहाँ डाल डाल पर सोने की चिड़ियाँ करती हैं बसेरा , वह भारत देश है मेरा "।

I'm grateful

Every second , every minute

Every hour and every day

I'm grateful

For the sunrise and sunset

*Sunrise gave me the bright eyes to seek a
sunshine*

*Sunset gave me the dark eyes to seek a brightful
light*

The seas, rivers, and lakes

The birds and animals

The garden of full of flowers

I'm grateful for all we have

*I'm grateful the love of rain and earth that winds
us with the nature*

In this unstable time

Every day and every movement

I'm grateful

For those who put themselves

In endangerment situation for us

Our saviors, the worlds warriors !
